Double head

# SPEED VISE

**Here's a truly quick action speed vise that gets the job done faster and at less cost!**

A 90 degree counter-clockwise turn releases the outer jaw for rapid opening and closing action. Unlike conventional-type vises a maximum of one half turn clockwise chucks an object securely.

- Jaw sizes: 3 through 6 inches
- Replacement parts available
- Each vise bolted in shipping box

**ALL MOVING PARTS HIGH CARBON STEEL PRECISION MACHINED.**

*See this quick acting double head speed vise at the INTERNATIONAL IMPORT SHOW, MORRISON HOTEL, CHICAGO, OCT. 1-5, 1961*

**SERIES #SV-S**

**SELDON BRAND**  
single head stationary base speed vise. Jaw sizes and quality features as above.

**SERIES #SV-SS**

**SELDON BRAND**  
single head, 360 degree swivel base speed vise. Jaw sizes and quality features as above.
